

What is Memory Worship and who is it for?

In creating this ministry in 2016, it was our vision to find a space where people with or without dementia, could approach God, worship and feel God's caring presence together.

Worship can be a channel for recalling the past, creating feelings of comfort, familiarity and spiritual fulfillment. We all have a continuing need to worship and experience a loving encounter with God.

The formal part of the service lasts 30 minutes before leading into a craft activity and hospitality. Everyone has opportunity to connect with their own creativity by participating and our dedicated team of community volunteers are always on hand with tea, cake and fellowship.

After each service, carers can chat with professionals working in the Memory field and meet with other people in the same situation.

2022 PROGRAMME
