MINISTER'S LETTER

Adoption is a wonderful thing. It enables those who aren't able to have children, to share in a special relationship with a child, enabling both parents and child to flourish. For those who already have children and still adopt, it again enables that child to flourish and be part of a loving, sustaining, family unit. Many wonderful relationships and families are created through the process of adoption.

The Bible also talks about adoption, us being adopted into God's family.

Romans 8:14-16 says; *'All who follow the leading of God's Spirit are God's own [children]. Nor are you meant to relapse into the old slavish attitude of fear—you have been adopted into the very family circle of God and you can say*

with a full heart, “Father, my Father”. The Spirit himself endorses our inward conviction that we really are the children of God. Think what that means. If we are his children we share his treasures, and all that Christ claims as his will belong to all of us as well!” [J.B. Phillips Translation, in brackets mine]

At the time this part of scripture was written, this had real significance. The pervading Roman culture was very hedonistic; devoted to the pursuit of pleasure. The most important thing in life was to enjoy yourself. Consequently, marriages were often not monogamous, and fathers did not know if they were the father of their children. Therefore, a Roman father would adopt a son to be his heir. So being adopted became more important than being an actual son! Therefore, when the Bible tells us we have been adopted into God’s family, it actually gives us a very high status, as we too become heirs, and inherit all the riches of heaven. So, no matter your upbringing or family set up, you have been adopted and are loved by God. As 1 John 3:1 says; *‘See what great love the Father has lavished on us, that we should be called children of God!’* [NIVUK]

So, no matter what life throws at us, no matter our personal circumstances, we are children of God, and are dearly loved.

As number 72 in our Singing the Faith hymnbook says;

*Father God, I wonder
how I managed to exist
without the knowledge
of your parenthood
and your loving care.
But now I am your child,
I am adopted in your family,
and I can never be alone
'cause, Father, God,
you're there beside me.*

May God richly bless you.

PASTORAL NEWS as at 11.3.24

I visited Adrian Gravatt last week and he sends his best wishes to you all and looks forward to the time when he can join us in worship. He is being treated for prostate cancer and Parkinsons Disease. He has carers who visit to do exercises with him to help the Parkinsons.

We send our congratulations to Sanya and Stephen on the birth of their baby boy, Casey born on Friday 8th. March.

Rupert and Janice Bertie tell us that Alexandra gave birth to a baby boy on Monday 4th. March, weighing a healthy but unexpected 7lbs 11oz. The plan was for him to be delivered by Caesarean section on Monday 11th. March but instead he arrived a week earlier than planned. He has been named Elijah James after his dad Darrell whose middle name is Elijah. Both mother and baby were in good health following

the birth and were subsequently discharged from hospital the following day. Rupert and Janice have since had the opportunity to see and cuddle their first grandchild and are still getting used to the idea of being grandparents for which they give thanks to God for this great privilege. Along with Alex and husband Darrell they would like to thank all the Wesley family and friends for all of the wonderful support and best wishes they have received since the birth.

It was lovely to welcome Dara and Jay Jones with their beautiful baby girl Avery in church yesterday.

Do please keep all of our Wesley family, whom you know to be unwell in your thoughts and prayers.

Thanks from Southend foodbank for the £451.68 we gave after CHRISTMAS

We have received a big THANKS from Southend Foodbank for the £451.68 we sent after Christmas. The need for their work continues to grow as the report below, from their Chair of Trustees, shows.

Eileen Simmons

Southend Foodbank

As a charity we continue to be rooted and established upon the teaching and life of Jesus. Our four values of Compassion, Justice, Community and Dignity are built upon Jesus' own way of life. For those who are part of the Foodbank and who are Christians, we see God's Kingdom at work in what we do. We seek to serve those who are hungry, and those who are in need to the best of our ability. We seek to love our neighbour as we love ourselves. We are so grateful for all our staff and volunteers, whether they have faith in Jesus or not. They make it possible to fulfil our goal, to Help Local People in Crisis.

In this past year we have been serving people who are struggling with the national cost of living crisis, and increased fuel bills. Because of the diligence of our staff and volunteers, and the generosity of our community, and the grants that we have been able to secure, we have just been able to keep up with the sharp increase in demand that we have seen. In one year, we have seen access to Southend

Foodbank jump 64.6%. The previous year had seen a step of 43% - and that felt massive at the time.

We have continued to provide 3 days of emergency food across 8 locations, and have provided signposting to additional services, and enabled a member of the Citizens Advice team to be available at 4 of our busiest distribution centres. Our campaigns coordinator has been raising awareness of food poverty in the wider community through news reports, both printed and on radio, as well as through social media. We have successfully appointed new staff in key roles, to enable us to do our best for our local community in and around Southend. I am so grateful to all those who help, from volunteers, to employees, to trustees. There is so much faithful and passionate dedication to Southend Foodbank, and so much hunger to help within our team; it is a privilege to be part of it.

As we move into a new year, the financial indications show that this coming year may see even greater need and greater access to our services. Yet we trust that in all this, we would be a light that shines in our community, a light that brings hope to those who are in crisis.
