MEMORY WORSHIP

Worship for those with and without Dementia

2024 PROGRAMME

What is Memory Worship and who is it for?

Memory Worship was set up in 2016 as a monthly church service for people living with dementia.

The afternoon takes a regular pattern of welcome; singing well known hymns, reading familiar passages of scripture and saying the Lord's Prayer together.

The formal part of the service lasts 30 minutes before leading into a craft activity and hospitality, providing an opportunity for conversation to reinforce the theme of the service.

Also, after the service our dedicated and informed team of community volunteers are always on hand with tea, cake and a listening ear.

This year's programme has been designed around the Christian Festivals.
