Worship for those with  
and without Dementia

2026 PROGRAMME

# What is Memory Worship and who is it for?

Memory Worship is a monthly church service for people living with dementia.

The afternoon takes a regular pattern of welcome; singing well known hymns, reading familiar passages of scripture and saying the Lord's Prayer together.

The formal part of the service lasts 30 minutes before leading into a craft activity and hospitality, providing an opportunity for conversation to reinforce the theme of the service.

After the service our dedicated and informed team of community volunteers are always on hand with tea, cake and a listening ear.

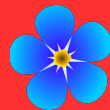

This year's programme has been designed around old familiar hymns.
